Bonnie was the best, the cream of the cam model crop. She made the other girls look shabby, stealing their Saturday night business..

NIGHT OF THE KNOT HOLE

I was good and drunk when my brother called to tell me that mom had taken a nasty spill.

“They think she broke her hip,” he said.

The news sobered me up. Fast. Still, I didn’t offer to help. I was far too fucked up to drive and didn’t want to get a DUI. I just wanted to sit there on my secondhand sofa and get drunker and maybe jerk off to my favorite cam model. I had checked the site earlier and seen that she was online.

Bonnie was the best, the cream of the cam model crop. She made the other girls look shabby, stealing their Saturday night business, which was the only time she cammed. I don’t know what she did during the week. We didn’t chat about such matters. We chatted about blowjobs and wet pussy. Important stuff, the stuff that made life worth living, the stuff that made a man roll out of bed in the morning and drag his ass to work.

The timing of Jeff’s call couldn’t have been worse. It was almost midnight. Mom must’ve gotten up to go to the bathroom and lost her balance. The scene pierced my beer-sodden brain—Mom sprawled on the floor, her cane out of reach, her face scrunched with pain. Hers was a short trip from bed to bathroom, short but not short enough. I hoped her mouth was okay. Mom had a beautiful smile, a natural smile. She was eighty and her teeth looked better

than mine.

“I’m at the hospital,” Jeff told me. Then, “I need you to check on Ralph . . .”

Mom’s thirteen-year-old wiener dog couldn’t be left alone overnight. He needed to pee, needed to poop. They were growing old together, Mom and Ralph. The dog slept with her every night. No doubt he was terrified. Ralph didn’t like to be alone. He suffered awful separation anxiety. Having watched a crew of uniformed people invade his home, place mom on a stretcher, and carry her away—well, he would be in bad shape.

“I’ll call you first thing in the morning,” Jeff went on. “Early . . .”

“Where is she now?” I asked.

“They’re taking an x-ray,” he explained. “She’ll probably need surgery.”

“Damn.”

Jeff sighed heavily. “It could’ve been worse. At least she didn’t hit her head.”

Moments later, I got off the phone and took a piss, cogitating on what Jeff had told me . . .

Mom had crawled to the nightstand, pulled herself up to a standing position, and dialed 911. Then she had called him. He had sped right over to find an ambulance in the driveway, the house filled with medical personnel.

"Tough old bird," I muttered.

If she could do that, I reasoned, then I could surely drive to her house without getting pulled over by a cop. It wasn't even six miles.

I finished pissing, flushed the toilet, and put some clothes in a duffel bag. I was almost out the door when I remembered my laptop. I hadn't given up on a late-night session with Bonnie.

I was legally drunk. No doubt about it. I would have failed a breathalyzer, blowing some obscenely high number before being ordered to put my hands behind my back. A field sobriety test? No chance. I would have made a fool of myself, a slurring, tripping fool.

All this to say that I drove very carefully, watching my speed and concentrating so hard on the road that I developed a mild headache. It was a tense, nerve-racking journey, but I managed to reach my destination unscathed. Pulling into mom's driveway, I felt the tension drain from my body.

I entered the house to find Ralph hiding underneath the kitchen table. He was traumatized. I coaxed him out with some jerky treats, then let him outside to do his business. He had already crapped in the house. I found two piles in mom's bedroom.

I left him outside while I took a shower. Wrapped in a bath towel, my wet hair combed straight back, I returned to the kitchen to find him barking at the back door. I left him out there. He was fine. The fresh air would do him good. Besides, I didn't want him bothering me while I got my jollies with Bonnie.

A man needs his privacy for such matters.

Sitting on the sofa, I placed my laptop on the coffee table and fired her up. I tried to log on to my favorite cam site, tried and failed. No internet access. Mom's wireless connection was screwed up. I performed the usual troubleshooting fixes to no avail. Shit on a shingle, I thought, my frustration mounting as I thought about all the fun I was missing.

Bonnie wouldn't be online all night. She needed sleep just like anybody else, even if business was booming. Beauty sleep, I ruminated, to keep her looking fresh and fine for all of us lonely fellows.

I tried everything I could think of. Nothing worked. Finally, I gave up, put on some clothes, and went for a

walk. Maybe the connection would be restored by the time I returned. I sure hoped so. Blowing my wad with Bonnie always led to a good night's sleep. I needed the rest. Tomorrow promised to be anything but fun. Hospitals are the worst.

Mom lived in a nice neighborhood, a gated community where the residents drove new cars and took real good care

of their lawns. I saw a few lighted windows, but most of the homes were dark. These weren't the kind of folks to stay up half the night.

The walk had sobered me up even more than Jeff's jolting phone call. I didn't even have a buzz. But I wasn't fooled. Not by a longshot.

I would still wake up tomorrow with a hangover. There was no way around it. Still, I hoped it wouldn't be too severe. I didn't want to get sick in front of mom, didn't want to have to leave her bedside to go puke in the bathroom. She had enough problems of her own. I wondered if she would need a whole new hip, one of those artificial jobs made of titanium.

I was just past the midway point of my loop when I heard a splash and giggles. Girlie giggles. Somebody was enjoying a late-night swim. I was immediately jealous, wishing more than anything in the world that mom had a pool. A moonlit dip would put me right to sleep. Hell, I wouldn't even need to blow my wad with Bonnie. Not after swimming a few laps.

I walked around to the side of the property. A tall wooden fence enclosed the backyard with the pool. The splashing and giggles had stopped. Had the swimmers called it a night? No sooner had the question entered my mind than I got my answer.

I heard them before I saw them, heard the telltale

moans and groans. Determined to get a peek of the action, I traversed the fence-line for a gap between boards. I found something better, much better.

A waist-high knot hole!

Kneeling in the grass, I pressed my eye to the circular aperture. "Wow," I muttered to myself, hardly believing my good fortune.

A patio light shone on the wondrous tableau of two MILF hotties, a brunette and blonde, engaged in some serious girl/girl fun. Their soggy swimsuits were in a disorderly pile beside the chaise lounge they had chosen for their torrid coupling.

The blonde lay there, her bronze thighs parted to accommodate the brunette's questing tongue. She had a big set of jugs, the blonde, which she squeezed and kneaded with both hands. The brunette had an amazingly tight ass. A swath of moonlight lashed one of the most beautiful bums I had ever seen.

Eye still pressed to the hole, I fumbled my shorts down and proceeded to stroke my cock. The blonde writhed and panted; this a split second before she tensed and emitted a dreamy sigh. Having gotten off good and proper, she promptly switched places with the brunette.

The blonde's ass was bigger than her friend's, curvy and wide, a soft butt just begging to be pounded. Jerking my prick faster and faster, I visualized myself doing just that.

The brunette's face contorted with pleasure as the blonde, her head bobbing frenziedly, lapped between her widely spread legs. I was seconds from blowing my load when the unthinkable happened . . .

"Achoo!"

My sudden sneeze pierced the night, alerting the MILF hotties who turned as one to investigate. I was frozen with fear. A part of me wanted to pull up my shorts and haul ass;

another deemed it best to remain perfectly still and silent.

"Seems we have an audience," the blonde said.

"I hope they enjoyed the show," the brunette remarked.

They abandoned the chaise lounge and hastened to the fence. Utterly mortified, I withdrew my eye from the hole. I stood there rooted to the spot.

"We know you're there," one of them said through the fence.

"Yeah," the other added, "we can hear you breathing."

"Sorry," I finally spoke; my voice cracked as I apologized for peeping on their poolside party.

"Don't worry about it," one of them replied. "I'm flattered . . ."

"Same here," said the other. Then, "Hey, we'd love to finish you off . . . I mean—well, if you haven't already.--"

I was dumfounded. Was this some kind of prank? Maybe. Still, I was willing to take the risk. I rose to a standing position and stuck my dick through the knot hole.

"Look at that beautiful cock . . ."

They took turns giving me head. Standing like I was with my throbbing tool shoved through the hole, I had no idea whose mouth was on me. Not that it mattered. Both of them were highly skilled cock gobblers.

Having shot my wad, I thanked them for a wonderful time then hurried back to mom's place. The internet was still down. So much for Bonnie. Ralph was barking like crazy. I let him inside and went right to sleep.

My morning hangover wasn't so bad. I had a slight headache but no nausea. The internet was working but I didn't care. Jeff swung by and drove us to the hospital.

"Did you stay at the hospital last night?" I asked him.

He shook his head. "I went home."

Mom's face lit up when I entered her room. I bent over the bed, kissed her forehead, and we all waited for the doctor to show up and tell us what was next.

BLAIR-NTS-00

Grabbing my bottle of lube, I applied a generous amount and spread it over the toy.

Ever since we first used a vibrator during sex, my boyfriend Jason and I have been looking for more toys to try out. At first it was overwhelming how many choices there were. Online research pulled up oversized dildos, intimidating anal plugs, and expensive restraint systems. All I wanted was something simple to start out with honestly. So I just looked into other kinds of vibrators.

We went with a pretty simple egg vibrator. It was a large, bright pink oval with a thin, stiff antennae that curved up towards my clit. The thickest part would sit comfortably inside me while the thinner section held the button at the tip that allowed me to adjust its vibrations. It arrived on my day off, so while my boyfriend was still at work I decided to test it out. I imagined surprising him once he got home. Dressing up in my sheer blue babydoll lingerie set and whispering in his ear. I couldn't wait to see his reaction.

Grabbing my bottle of lube, I applied a generous amount and spread it over the toy. Rubbing it down my slit, I worked on sliding it in. There was a bit of resistance, so I took my time playing with my clit with one hand and easing the bulb in with the other. Finally, it slipped right in!

I squirmed at the pressure it applied to my inner walls when I squeezed around it. It was a pleasant fullness that only got better when I turned on the

vibrations. Clicking the button at the tip of the antenna, it buzzed awake and set off a low hum. Contracting my muscles forced it to press right up against my g-spot and a tingle shot up my spine. My moans spilled out before I even realized it. They grew louder when my fingers focused in on my clit and the added sensation began to overwhelm me with pleasure. Less than five minutes after inserting my new toy, I was already coming undone by it.

"Fuck!" I groaned. Before I teetered off the edge of self control, my fingers worked to press and hold the button to turn off the vibrator. The humming stopped not a moment too soon. My body protested, my clit throbbed with need. I had to dig my fists into the sheets to prevent my fingers from finishing the job.

In an effort to distract myself until Jason arrived, I put in a load of laundry and opened up a book to read on the couch. Every step I took reminded me of the toy left within me, and my desire to satisfy myself never passed. Finding myself checking the clock and re-reading the same paragraphs over and over again, I huffed in frustration. I set the book aside and went to fold the now clean clothes.

My phone chimed with a text from Jason. He'd gotten off of work early and was heading home. I couldn't be happier as I hurried into the bathroom for a quick shower and laid out my clothes to wear afterward. I took a moment, while washing myself, to

soothe my aching clit with the touch of my fingers. Pressing down on my outer lips, I indulged myself by reaching down to pull on the antenna of the toy. The bulb slid out of me by an inch before I pressed it back in. Fucking it in and out of me, I imagined Jason's mouth along my neck. Before I got too caught up in the sensation, I let go and finished up my shower.

When Jason arrived, he found me sitting on the couch with my book in hand, dressed in a sheer blue lingerie set. My breasts, only covered by my arms holding the book, became fully exposed once I stood up. Through the mesh fabric, my hard nipples caught Jason's attention immediately. He froze at the entryway, taking in the sight of me. "Wow," seemed to be all he could say. I stepped up and pressed myself against him. My hand cupped the back of his neck and brought his head down so I could whisper in his ear.

"Want to guess what I have inside me right now?" Snapping out of his daze, Jason moved to pick me up. I giggled in excitement and wrapped my legs around his waist as he led us down the hall to the bedroom. After dropping me onto the bed, Jason took a moment to step back and take in the sight of me. My legs spread, and through the sheer blue underwear a pink antenna could be seen peeking out from between my pussy lips. I reached down to touch it and held down the button to turn on the toy. I moaned at the low hum stimulating my g-spot.

In a flurry of movement, Jason undressed and joined me on the bed. We kissed while his hands roamed down my body. Squeezing my breasts and

removing my thong as soon as he got his hands on it. His thumb brushed against my clit. He rolled his digit around it, dipping down to collect my juices as lube and continuing to play with it. Pleasure from his touch mixed with that of the inner vibrations and brought me right up to the edge of an orgasm faster than ever. My fingers clutched at his shoulder leaving nail indents in his skin. "Jason," my voice was strained as I tried to hold myself together.

"Shh.. it's okay. Let go now and cum for me." With permission, I did exactly that. I released the tension that my muscles held and exploded into a mind-numbing orgasm. One that I'd been holding onto all day. My legs trembled and I screamed his name.

Next thing I knew, the vibrations stopped. Jason had turned the toy off and pulled it out. I wasn't empty for long, as he had quickly lined himself up with my entrance and began easing himself in. His thick cock stretched me open until our hips met and Jason groaned against my ear. I was hypersensitive after my last orgasm, not even a dozen thrusts in and I was nearing another release.

"Don't stop! Just like that!" I urged him to go faster even after he said it would make him cum too soon. The steady rhythm and slap of his hips against my clit brought me my next peak of ecstasy. I squeezed around his cock, milking it. The contractions overwhelmed his throbbing cock in the best way. He pumped into me one last time and released a torrent of cum deep inside me. We both took a while to settle down after that. It's amazing what adding a toy can do to sex.
